PIVOTANTE À POSER Charlotte Perriand

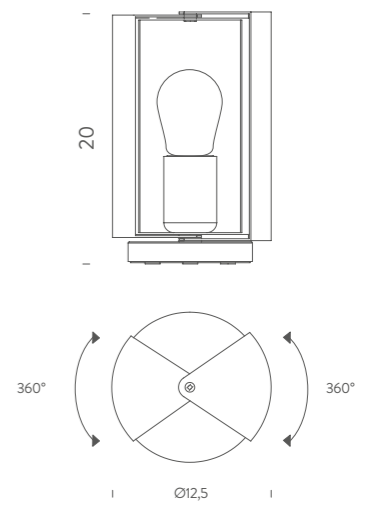

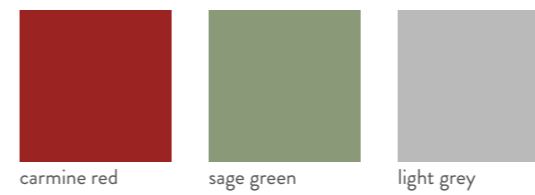

LED/HALO/FLUO

version	max power	source	voltage	lum. flux/CCT	switching	code	finish	Euro
	60W	E27, A60	230V			PAP EDR 12	carmine red	195,00
						PAP EDV 12	sage green	195,00
						PAP EDD 12	light grey	195,00

note switch on cable, cable length 2,5m, orientable 360°, red RAL3002, sage green RAL6021, light green RAL7046

Prices without bulb

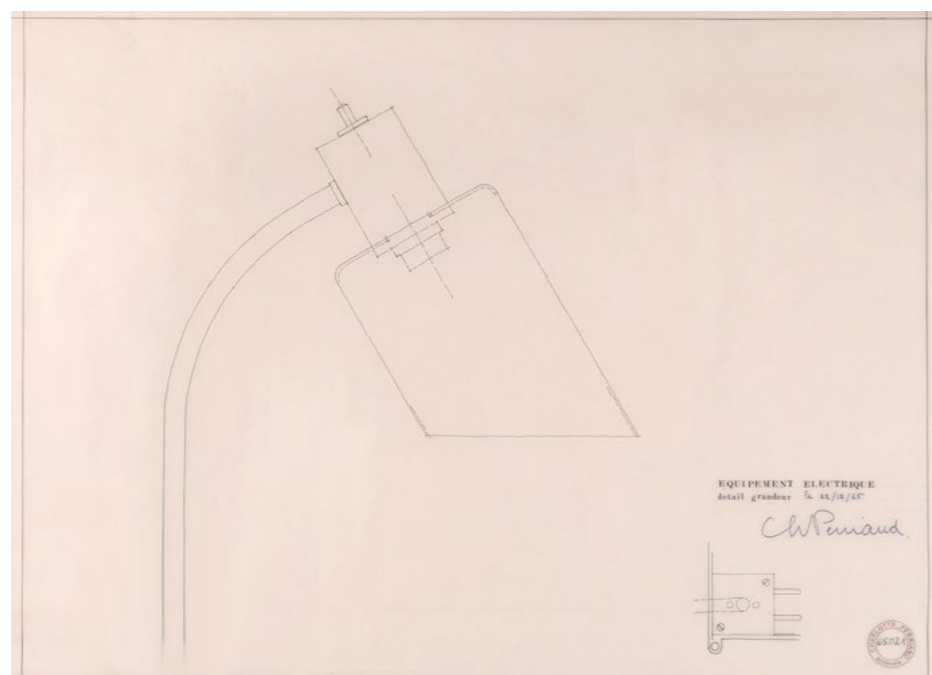

Charlotte Perriand's lightings are timeless. They are at the same time functional and minimalist, designed, as her furniture, on an architectural scale. They aren't lightings of a "designer" but of an "architect", that play with volumes and dimensions, as an architectural element of a combination, to let space "sing".

Pernette Perriand-Barsac, Jacques Barsac, Archives Charlotte Perriand

GENERAL INFORMATION

Nemo and Nemo Studio's goal is to propose cutting-edge technological solutions, also through a constant updating process. By definition, technology is changing and continuously evolving. To ensure the consultation of the latest product data, we recommend referring to the information available on our website www.nemolighting.com. This document was drafted in January 2023. It replaces and updates any other publication in relation to the listed products.

Obiettivo di Nemo e Nemo Studio è quello di proporre soluzioni tecnologiche all'avanguardia, anche tramite un continuo e costante processo di aggiornamento. Per definizione la tecnologia è mutevole ed in costante evoluzione. Sugeriamo, per assicurare la consultazione delle informazioni più recenti sui prodotti, di verificare quelle disponibili sul nostro sito www.nemolighting.com. Questo documento è stato redatto a Gennaio 2023. Sostituisce ed aggiorna qualsiasi altra pubblicazione in relazione ai prodotti elencati.

Das Ziel von Nemo und Nemo Studio ist die Entwicklung von technologischen Lösungen auf dem neuesten Stand, auch durch einen ständigen Aktualisierungsprozess. Die Technik entwickelt sich ständig weiter. Um die aktuellsten Produktunterlagen einzusehen, empfehlen wir, sich auf die Informationen auf unserer Website www.nemolighting.com zu beziehen. Dieses Dokument wurde im Januar 2023 verfasst. Es ersetzt und aktualisiert alle anderen Veröffentlichungen in Bezug auf die aufgeführten Produkte.

L'objectif de Nemo et Nemo Studio est de proposer des solutions technologiques de pointe, également à travers un processus de mise à jour constante. Par définition, la technologie évolue et change continuellement. Ce document a été rédigé en Janvier 2023. Pour garantir la consultation des dernières données produits, nous vous recommandons de vous référer aux informations disponibles sur notre site www.nemolighting.com. Remplace et met à jour toute autre publication en relation avec les produits listés.

This document supersedes and updates all previous catalogues and publications in relation to the products listed here in.

Questa pubblicazione sostituisce ed aggiorna i precedenti cataloghi con riferimento ai prodotti elencati.

The updated list of UL and ETL marked products and relevant technical information are available on the website: nemolighting.com/usa/
